Vengeance Essential Clubsounds Vol 3 Fl Studio Free Download

The 'Vengeance Essential Clubsounds' series has influenced the whole genre of club music for the last 5 years and is an integral component in the studios of countless well-known dance producers! For Volume 4, club music veterans Mamef Schleis and Mamef Reuter developed exclusive premium material - from kicks, claps, snares, hats, and percussions to driving 'uplifting effects' and fills to perfectly programmed drum and melody loops, break/dubbeats and half tempo 'slow motion' beats for breaks. Furthermore, in close cooperation with professional studio musicians and artists, unique guitar loops, scratches and vocals were created - all perfectly cut for modern dance, club and chart productions.. Vengeance is back with a Vengeance! Including more than 3100 wav files, this is our biggest and best sample pack ever.
